

Wallet Max is a women-led start up promoting financial wellness and financial inclusion by helping shoppers get paid as they shop.

We are hiring a Partnerships Intern to join the team.

This position is paid with flexibility to work remotely.

- Must have Internship Work Authorization in US
- Minimum commitment of 5 hours per week expected

About the Role:

You will be responsible for managing our partnership opportunities for our founder and the company. Fintech partnerships are one of the key strategic objectives for expanding the use of our tools/resources for financial wellness, while growing the number of people we can help everyday.

A general interest in financial wellness, fintech, financial education and cashback rewards would be preferred.

Internship role duties:

- Support the Founder/CEO with assistance on key partnerships
- Be responsible for developing, and maintaining relationships with partners across the Wallet Max community and platform
- Manage meetings, project tasks, follow up, deliverables, analyze current and future trends with our key partners
- Engage with Marketing and Sales teams to align on capability needs with our external partners
- Research and draft partner engagement and outreach strategies
- Research and develop potential new partner profiles and engagement strategies

Qualifications for internship:

- Good time management skills, being able to handle multiple related tasks simultaneously

- Good interpersonal skills and a desire to learn new things
- Practical project management experience
- Interest in analyzing markets and providing go-to-market strategies
- Preferred experience in writing business reports
- Creative and people-centered: thinks about end user, key partners and creating effective systems of communication and engagement

To apply, please fill out our [Partnerships Internship application](#) by July 1, 2022 at 11:59pm.
