

Wallet Max is a women-led start up promoting financial wellness and financial inclusion by helping shoppers get paid as they shop.

We are hiring a Sales intern to join the team.

This position is paid with flexibility to work remotely.

- Must have Internship Work Authorization in US
- Minimum commitment of 5 hours per week expected

About the Role:

As a Sales intern, you will be responsible for helping with business development and connecting with small businesses and financial coaches to onboard them to our Wallet Max network.

A general interest in financial wellness, fintech, financial education and cashback rewards would be preferred.

Internship role duties:

- Support the Founder/CEO with assistance on sales, operations, onboarding and management
- Be responsible for facilitating and nurturing relationships with merchants on the Wallet Max platform
- Manage meetings, project tasks, follow ups and necessary deliverables
- Engage with Marketing and Partnership teams to align on capability needs

Qualifications for internship:

- Open mind that will allow you to communicate our product to new businesses/merchants
- Positive attitude and self-motivated
- Excellent communication skills

- Good time management skills, being able to handle multiple related tasks simultaneously
- Good interpersonal skills and a desire to learn new things
- Creativity to improve sales process

To apply, please fill out our [Sales Internship application](#) by July 1, 2022 at 11:59pm.
